**Trump New Hampshire State Co-Chairman Andrew Hemingway Endorses
Robert Burns for Congress**

The Burns for Congress campaign is proud to announce that it has earned the endorsement of Andrew Hemingway. Hemingway served as State Co-Chair for the Trump for President Campaign in New Hampshire.

Andrew Hemingway is a New Hampshire businessman, entrepreneur, and a staple in New Hampshire politics. In 2014 Hemingway was a Republican candidate for Governor and was Chairman of the New Hampshire Republican Liberty Caucus.

Hemingway joins his fellow Trump for President New Hampshire State Co-Chairman, Rep. Fred Doucette, and Rep. Al Baldassarro. These endorsements cement Robert Burns as the Pro-Trump, America First Candidate in the Second Congressional District.

On his endorsement Andrew Hemingway said *"I am excited to endorse my friend Robert Burns. Robert and I worked together on the early days of the Trump Campaign. I look forward to helping Robert flip the Second Congressional District and retire Ann McLane Kuster."*
