Robert Burns Launches First Radio Ad of Campaign

We are excited to launch our first radio ad of the campaign and the first paid media placement of any New Hampshire 2022 Congressional candidate. Beginning today, the 30 second ad entitled 'Our Mission 2022: Winning Back Congress' will be heard during talk radio shows including Howie Carr, Grace Curley, and Mark Levin. It is the first in our series of ads throughout the next year that will deliver the campaign's message across an increasing number of stations and mediums.

The ad focuses on key issues including securing the border, protecting our gun rights, stopping critical race theory, and electability. Burns is the former Hillsborough County Treasurer, a seat he won by beating then-incumbent Chris Pappas in 2010. Burns is still the only candidate to ever beat Chris Pappas in an election. Burns was a candidate for Congress in New Hampshire's Second Congressional district in 2018, and intends to run for that same district in 2022. The towns contained in the district will be decided by the legislature and Governor through the redistricting process early next year.

Robert Burns is a small business owner, lifelong New Hampshire resident, and a constitutional conservative Republican. Born in Nashua and educated at Keene State College, Burns understands our state and has a long history of leadership in the community, the business-world, and the conservative movement.
