Robert Burns Endorses Jessica Sternberg for State Representative

Republican congressional nominee Robert Burns issued the following statement endorsing Jessica Sternberg in the upcoming special election for State Representative in the towns of Northwood and Nottingham:

Jessica Sternberg is a great young conservative leader who will succeed in representing her community and make us proud in the state legislature. In this critical race, she has my total and complete endorsement.

Jessica believes in protecting our constitutional rights, choice in education, supporting our veterans, and keeping New Hampshire free of sales in income taxes. She will stand up for our firearm rights and ensure that New Hampshire remains a safe place to raise a family. Jessica will not be intimidated or persuaded to follow special interests that would harm the communities she will represent.

A young leader who has worked to advance conservative candidates, Jessica has served as a grassroots organizer for the New Hampshire Republican party and is currently serving as Treasurer for the New Hampshire Federation of College Republicans. During the 2022 midterm elections, she knocked over 30,000 doors in support of Republican candidates. She is a graduate of Coe Brown Northwood Academy and is currently earning a Master's degree at the University of New Hampshire's Carsey School of Public Policy.

I look forward to actively campaigning for Jessica in the communities of Northwood and Nottingham, places I have fond memories of visiting during my previous races for Congress and Executive Council. I will be there supporting Jessica in the August 1st Republican primary, and ensuring we win this critical seat in the September 19th general election.
